

ECO-CLUB NATIONAL GREEN CORPS, KARNATAKA

Monitoring of Eco-Club Schools

Training Programmes conducted under the NGC programme during 2017-2018

For better implementation of NGC programme Different Monitoring mechanism under taken in NGC programme:

- State steering committee has been formed to monitor the ongoing eco-club activities.
- District Implementation and Monitoring Committee constituted in 34 educational districts. EMPRI has received proceedings of DIMC from 18 districts.
- Training for Teachers, Head masters & Resource persons from the State Education Departments across the State steering committee has been formed to monitor the ongoing eco-club activities.
 - * State Level training
 - * Taluk level training
- NGC Eco-Club School visit

State Level Training

This training was conducted at EMPRI in 4 phases for the selected Head Masters and In charge teachers who are also part of the DIMC committees. It was a two days training which concluded with 72 participants from 34 districts of Karnataka. School annual report which has been prescribed by MoEF&CC was discussed in detail. There were question and answer sessions and also feedback was collected from the participants. The participants were also given participation certificates. Apart from this resource materials mentioned below were also given during the workshop.

NGC Team's Visit to Schools

NGC team was supposed to conduct school visits as suggested and approved by the chairman of State Steering Committee.

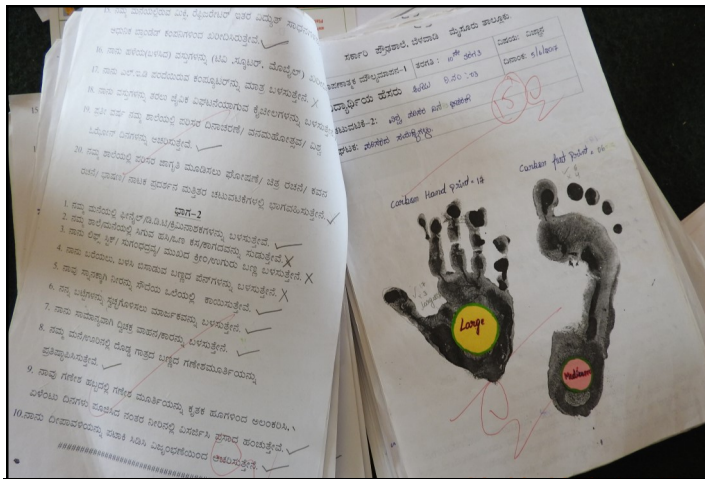

In order to disseminate information about NGC Programme and review the activities taken up by the Eco-clubs, NGC team of EMPRI visited a total of 44 schools as against the 40 schools target fixed in State Steering Committee. During the school visit, the format of eco club report, utilization certificate and basic information in detail was explained to the in charge teachers. NGC team also addressed the eco club members in each school visited and noted the problems faced by

Govt. High School, Gojanur, Gadag District
