Firefly Taxonomy Workshop

9th-12th March 2024

What is the workshop about?

This workshop focuses on imparting a holistic understanding of firefly taxonomy (particular Luciolinae subfamily) to the participants. The program emphasizes the taxonomy and systematics through lectures, practical sessions, and discussions. The program aims to provide valuable insights into understanding and conserving the fireflies.

What is the format of the workshop?

This workshop is a hybrid event that welcomes both in-person and remote participants worldwide. Its aim is to teach the basic taxonomy of fireflies, particularly of the subfamily Luciolinae. The workshop is divided into two parts which will run consecutively for four days.

Timing: 10:00 AM - 05:00 PM Indian Standard Time

10 AM to 1 PM IST (3 hours): Zoom webinar by Dr Lesley Ballantyne and Dr Wan F. A. Jusoh (this is free for everyone to register) 2 PM to 5 PM IST (3 hours): Practical sessions with entomologists based in Bangalore, India (a registration fee is required)

Dr. Lesley Ballantyne
Charles Sturt University,
Australia

Dr. Wan F A Jusoh
Monash University,
Malaysia

Who can apply?

Students, Scholars, Researchers and Entomologist (PhD and MSc Entomology / Agriculture / Wildlife / Forestry/ Zoology / Life Science) interested in firefly study. Persons having knowledge on insects can also apply.

Apply before
20/02/2024

Workshop venue: Practical session will be in Bangalore (venue to be announced soon)

Registration fees: Students (MSc and PhD) 1500 INR* and Post Doc and Faculties 2500 INR*
